Underclassmen
Mount Vernon High School
Mount Vernon, Ohio

June 4, 1956

Dear Underclassmen:

Forgive me for not writing sooner. There are certain things I have been meaning to tell you, but I haven't found a minute in which to do so.

It doesn't seem possible that this could possibly be June 4, 1956. To many people, perhaps even you, this is just another day marking the end of another school year.

To me this day has a much deeper significance. Tomorrow will be the day for my final high school activity, if not the most important in my high school career, "Commencement Day!"

Have you ever stopped to think about the word commencement? I hadn't either until this year. In fact, lately I've been doing a lot of thinking about many things.

The word commencement in itself means the beginning or start. Isn't it strange what a different meaning it holds for some of us as seniors.

We seem to give it an almost opposite definition when the time for graduation is near. Although we seem to think of it as the day we've waited for since we began our high school careers, now it seems to represent the end of the best years we've known or, as it seems now, we'll ever know.

There was a time when we envied the seniors above us very much. Now we would gladly trade places with you as underclassmen.

This year has seemed to be one continuous stream of last's. There was the senior band show for the last football game; the last Homecoming game and dance; the last Thanksgiving, Christmas, and Easter assemblies; the last district tournament basketball game; the last Forum Queen election and then the high point of the year, the Forum Show. Besides these and numerous other last's, there have been the activities which have been just for us—Senior Day, honor assembly, the senior prom, baccalaureate, and graduation. Each being perfection in its own way.

At times we have all felt that our subjects have been too hard, our teachers unjust, the school days too long, the vacations too short, the tests too rough.

But now that we stop to think about it, the knowledge we've acquired, the friends we've made, and the experiences we've had greatly outweigh the gripes we've held.

Really though there is no yardstick that could accurately measure everything we've benefited from our school days.

How hard it would be to struggle through life without the experience we've had of getting along with people our own age here in school.

It's only natural to have some regrets during these past years. If we could have had the knowledge and insight then that we have now how much differently we might have done some things.

How much further ahead we'd have been if only during our first years at high school we had studied a little harder and gotten better grades. Then there were the plays and concerts we missed because, "Oh well, we could go next time." Sometimes the next times never came.

Maybe for some of us there were clubs we put off joining until it was too late. Many things we might have changed if we had it to do over again. Then there were things that could never have been better than they already were.

Although this school—the teachers and our classmates—will soon forget us and what we've done for the school, we, as seniors, will always hold lasting memories of Mount Vernon High School and what it's done for us!

I hope I haven't bored you with my reminiscence, but maybe you will realize from what I've said at least a little better what you have to look forward to and the things you should take advantage of before it's too late.

Sincerely,

Senior, Kathi Mooney

HIGH SCHOOL

Mrs. Ferguson's Busy Day At School

Writing a slip for Dick Simmons,

Typing for the Principal
and answering the telephone are
all in a day's work.

Dedication

LETHA FARMER
FERGUSON
Secretary to the Principal

Because of her untiring effort spent being a friend and a ready aid to all students and teachers, in what might be phrased as "service beyond the call of duty," we are very proud to be showing our great appreciation by dedicating the 1956 Forum to a former Mount Vernon graduate, Mrs. Letha Farmer Ferguson, the high-school secretary to the Principal.

September Song

September eighth school began;
Hour classes, what a jam!

Eighty-three people in room 24,
Some of them had to sit on the floor.

Typewriters short in room 208;
Students that need them will have to wait.

The Jackets play Shelby September the ninth.
They really out-weighed us and took us in height.

Their rooters kept cheering and thought we were hicks,
But the sixteenth we beat Coshocton, 26 to 6.

The latest addition to Mount Vernon sports
Is Roger Walton in BERMUDA SHORTS!

Booster ribbons are sold by the Forum;
Students, teachers, and spectators wore 'em.

Carroll Rine will never be late.
Driving his '41 Mercury V-Eight.

All day and night the rain did fall,
Still the Jackets tried to handle the ball.
We kept on playing and didn't ask for more,
Although Madison took us by a 31-32 score.

Remember the day Carole did display
Her dress in a mess, wrong side out, no less!

Lost—Jackets to Hillclimbers 40-14,
Angelas made our T.D.'s and that was real keen.

Autumn Leaves

October arrives, activity thrives,
Despite the heat and bite of the flies.

The Bobcats beat us; we got skunked.
But Upper Arlington will sure get dunked.

Barb Yarman is the Homecoming Queen,
And good ol' Bud's captain of the team.

Homecoming was a great success
But Arlington beat us, nevertheless.

Two touchdowns were made by Poland
As the Bears' 32 points were stolen.

Jeff had ulcers in the Junior Play.
Now he has them everyday.

Senior Class pictures come and go
But where they end up, no one will know.

Senior classmates disagree
On graduation robes to be.
Girls want white, boys want red,
Maybe they'll be chartruese instead.

Next year's class rings are on display
In the lobby this day.
If you have the money to pay,
This will mean memories of yesterday.

To our surprise and great delight,
The Jackets beat Bexley without any fight.
This was our first C. B. L. win
Here's hoping we can do it again.

Our dreams came true the following week
When we fought the Panthers "Cheek to cheek!"
The Jackets trounced Delaware 14 to 0,
And Bob Moore was our new hero.

Moments to Remember

The theme of November
Is Moments to Remember
With prom dreams so tender,
And thoughts of December.

The weather was freezing;
The Generals teasing.
The score wasn't pleasing,
But our fourth place is easing.

"Time Out for Ginger" is all-high school play,
With leading parts by John and Kay.
It turned out to be a great success
Because each actor did his best.

The formal's theme was Winter Wonderland;
The couples danced to Riley Norris' band.
Decorations were hung by the social committee;
To tear them down was such a pity.

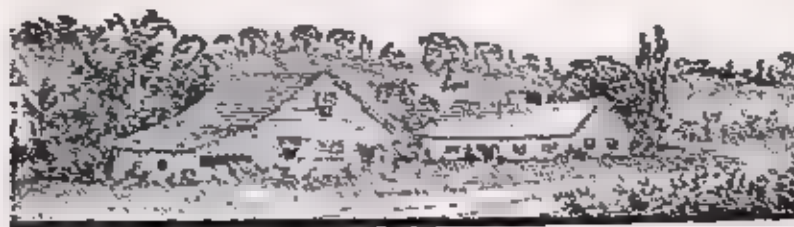

Patty Wilson left at dawn
For Taylor U. to see Ron.
The airplane ride was really fast
And now she's with him, at last.

Over vacation the town livened up
With alumni home for Thanksgiving "Sup."

Basketball tryouts were held last week
With everyone wondering whom the coach would keep.
The basketball season has now begun—
Everyone hopes all the games will be won.

We started off right
Last Saturday night.
The state champs we beat—
Handing them their first defeat.

The favorite holiday of the year
Soon will make appearance here.
With moments of December near
Bringing a month of song and cheer.

Winter Wonderland

Have you been good kids this year?
We hope so because Santa's near.
Write your letters to him clear,
And he'll be sure to bring you cheer.

Eighty-seven to fifty-five,
Worthington was whipped.
The Jackets really looked alive,
And the Cardinals sure were clipped.

Arlington was next in line
Could the Yellow Jackets beat 'em?
Eighty-five to seventy-three was fine,
Now over there we must meet 'em.

Ashland was a real thriller
But what was the final score.
It took an over time to kill 'er,
Sixty-five to sixty-four.

Bexley wasn't a bad game
Sixty-nine to fifty-two.
It started the Jackets' C. B. L. fame
As once again M. T. V. came through.

The Jackets' new uniforms finally arrived.
They looked like the Globe Trotters, MAN ALIVE!
With stripes on the pants, the crowd really rants;
And stars on the shirts, that attract the skirts!

Eighty-nine to sixty-three
Jackets caught Westerville up a tree.

Christmas arrived with all of its cheer
And now we await to enjoy it next year.

Rine breaks record with thirty-one
As Mounts beat Galion, all in fun.

'55 is over; the eve is here.
And Seniors look forward to the coming year.

Memories Are Made Of This

New Year's Eve your date you kiss
Under the mistletoe.
Memories are made of this
As the school days go.

School begins; oh, what a cram!
Spending your time on that last exam.

The Panthers' stalling tactics didn't seem to jive
As Mount Vernon tramped Delaware 20 to 45.

Miss Mann's famous 1000 word theme
Doesn't tie in with our vacation scheme.
Footnotes! Bibliographies! and quotations too!
No wonder Seniors have so much to do!

The Hillclimbers didn't really reach the top
As the Jackets made their rating drop.
80-67 we beat them that night.
Our boys really did the score up right.

Judy Ackerman's writing will improve, we hope!
For to read it you need a microscope!

Although the Bobcats were sure a tough crew,
Our boys, the Jackets, finally came through.
With a 98-77 final score, a ninth place rating, and honors galore.

The very next night at six on the dot
5,000 people were there on the spot.
To see the Wildcats at the head of the line
Because of the loss of Hoyt and Rine.

The month of January finally ended
Our thoughts of the past have been amended.
The snow and the sleet swiftly descended
A result — our vacation will be extended.

"Sweethearts"

February is the month for romance,
Starting off with the sweetheart dance.
Washington's birthday and Lincoln's too,
But all we can do is work and stew.

February third Bexley we met,
Beating them 25 points yet!
The final score was 78 to 53,
Giving Mount Vernon another victory.

It happened on a Tuesday night,
Ninety-five to fifty-eight.
The Jackets did the score up right,
And made the Redskins regret their fate.

Senior scholarship test today.
Nancy Hagan placed third—Hooray!

Delaware fell to the wrath of our boys,
The scoreboard showed 80-41.
The rooters were making plenty of noise
As they heard the sound of the final gun.

The Forum Queen was announced on Valentine's Day
In front of the whole senior high.
Melony Coffing was well on her way,
And no one was near her to tie.

Urbana bowed out of the C. B. L. race,
98-56 the Jackets set the pace.

The boys journeyed to Newark to see what they could do.
But though the game was mighty close, the Cats won 68-62.

The Jackets score went up—up—up,
As we beat Grandview for the C. B. L. cup.

Carroll Rine two records topped,
With 43 points, he couldn't be stopped.

At the end of the game the crowd gave a roar,
As the team carried Schlosser off the floor.

Tournament cages have begun,
Setting a record, the Jackets won.
Columbus Rosary we beat fine,
100 points to 49.

February 29 is the day for fun.
Girls stop at nothing
So you'd better run.

"The Wayward Wind"

March came in with a big bark
Waiting for April's beautiful lark.
Kiddies are playing in the park
And couples strolling in the dark.

Big Walnut was cut to the floor
When beat by the Jacket's tremendous score.
A tournament record was set that night
114-45 What a fight!!

The season was ended
As we defended
What we intended
To be amended. (St. Charles)

The Spring Band Concert was given tonight
And filled a crowd full of delight.

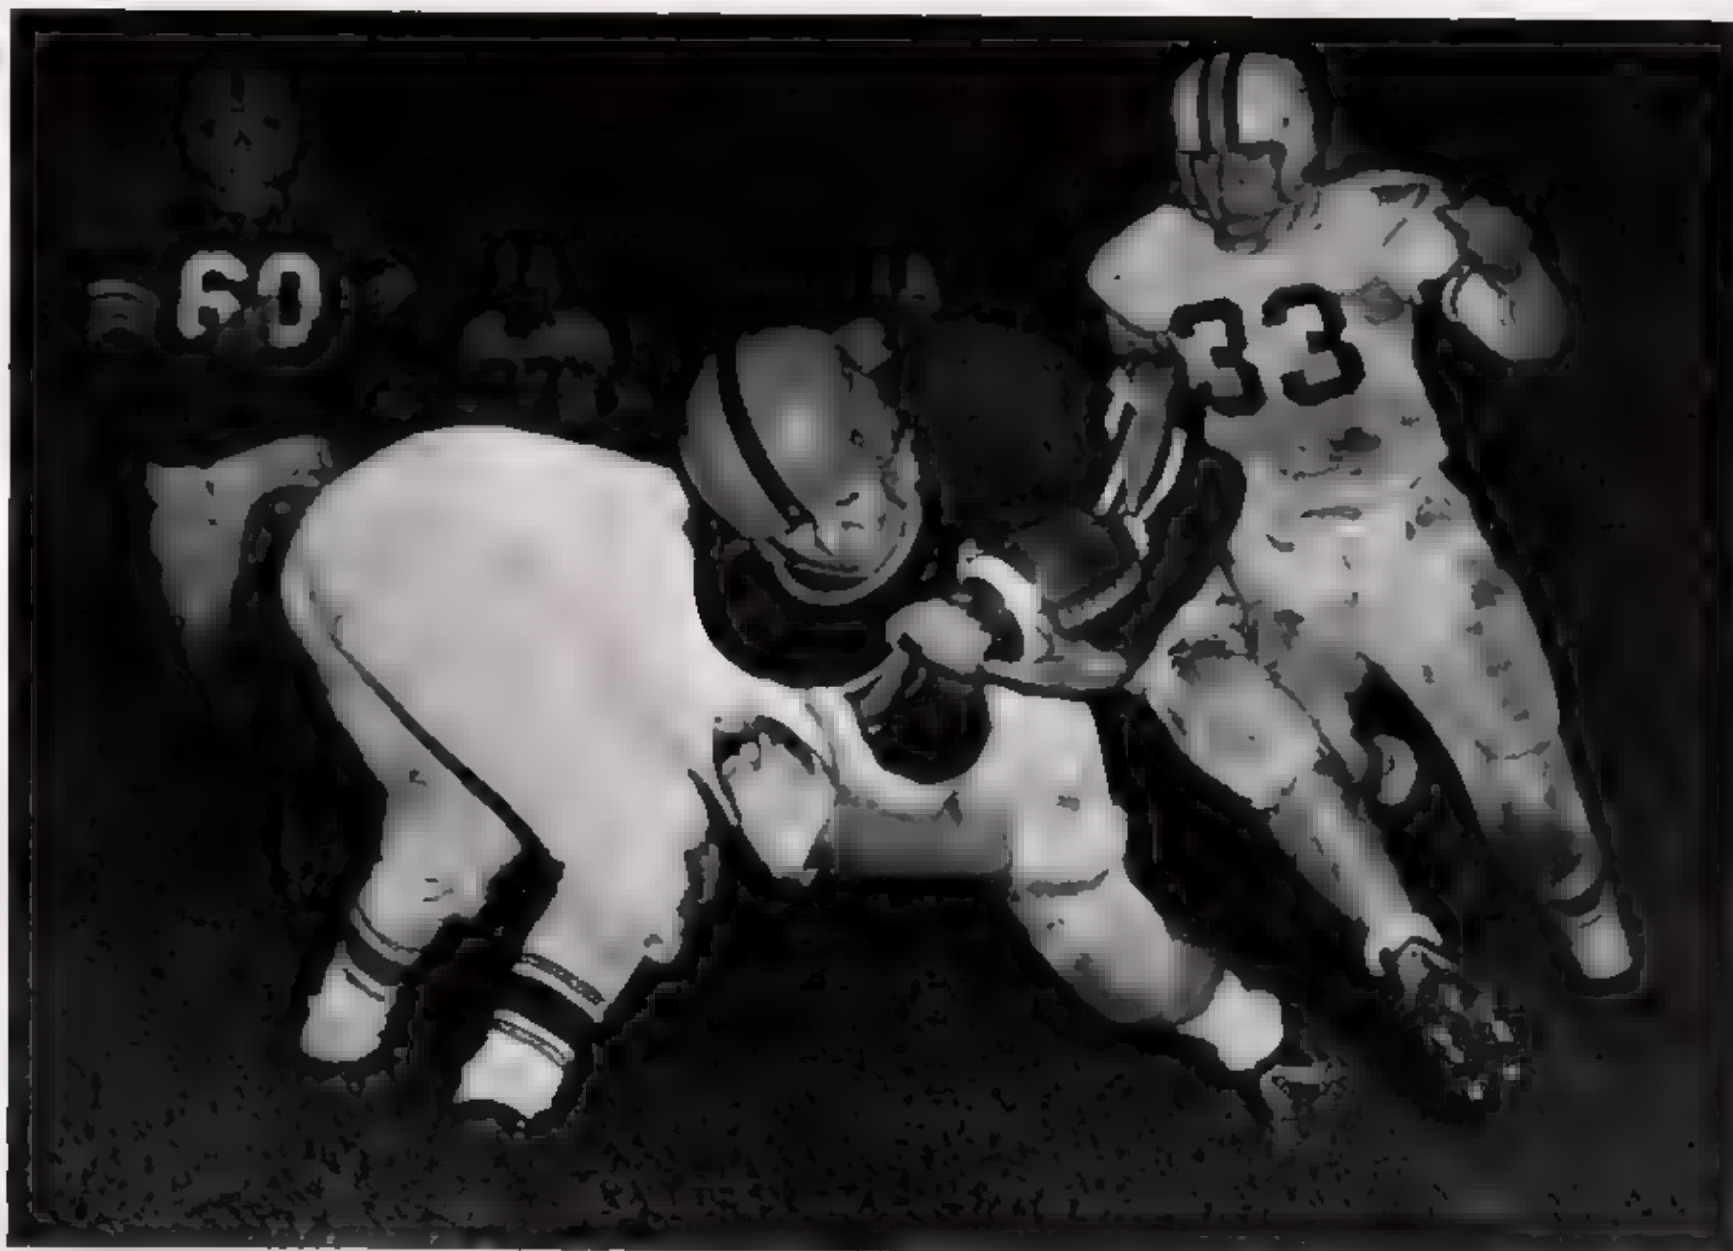

Basketball Banquets are held for the boys
Who have played this season full of joys.
Medals and letters were given away
A good speaker and dinner topped off the day.

Sheila, Marybeth, Charlie and Al
In "Curtain Going Up" sure did swell.
The rest of the cast was mighty fine
And before the play at Emely's they dined.

Forum show tryouts didn't go so hot
As people with acts did not trot,
In the auditorium there were very few
Singers, skits and "that old soft shoe."

March has come to a close
As the winter wind no longer blows.
Prom nights are drawing near
Commencement will soon be here.

"April Showers"

The sun was gleaming
On Easter day
With people dreaming
Of the coming May.

An assembly for the junior high
To pick the apple of their eye.
Three girls were chosen to cheer
For our teams of the coming year.

Mollie has a party,
And who do you think arrives.
Would you believe it fellows?
Those WONDERFUL Kenyon guys!

Today seniors turned their English themes in
Wearing on their faces a tremendous grin.

To celebrate this great event
After Miss Mann, Tom was sent
To bring her down to River Side Park
To eat and frolic in the dark.

Square and round dancing and a variety show
Serve as entertainment
As all of the students seem to go
To this Student Council Arrangement.

A semi-formal event is had
By the Y-Teens — it seems a fad.
In fancy dresses the girls are clad
Walking with their favorite lad.

Prominent people arrived today
To discuss with pupils their future way
With interesting speeches and questions too
Now, all the students should know what to do.

Senior choir and orchestra give "Song of Man."
With enthused spectators to give them a hand.

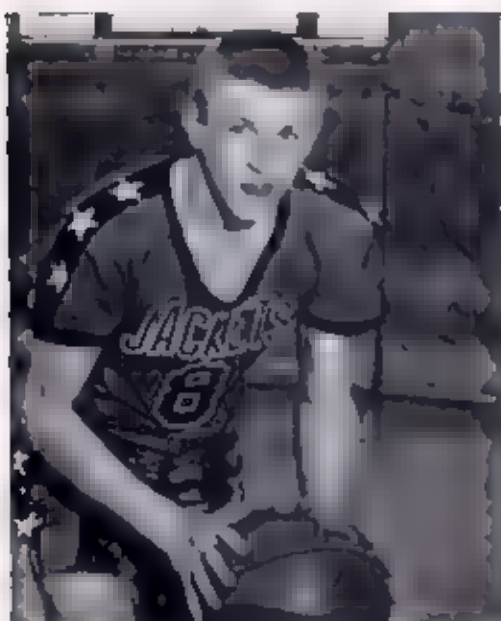

With Graduation around the bend.
School will finally come to an end.

"May Time"

Flowers are blooming
And bees are zooming
The song birds are singing
'Cause May bells are ringing.

With "Paradise In Blues" as the theme
The Forum Show this year was quite a dream
There were variety acts and skits as well
With Melony, in white, looking swell.

The Forum Follies was given two nights this year
Thus, bringing Miss Cannon — profits and cheer.

THE SENIOR CLASS PLAYS

John Levenson was the important factor
In the "Hitch-Hiker" he was quite the actor.

"The Dancers" was a comedy show
Which made the audience ask for mooooo.

"Make Room For Rodney" was the 3rd play
Which created much laughter right away.

The last play was "The Enchanted Night"
In which the Seniors did all right.

Honors were given on May twenty-four
To deserving seniors who took the floor.

The orchestra played
The seniors marched in
The prophecy and will
Make the audience grin.

Oscars were awarded
For deeds well done
All in all it was lots of fun.

Carroll Rine places fourth in the state
And breaks discus record — he's really great.

"Stairways to the Stars" was the theme
As the juniors played host to a senior's dream.

Exam days have finally come,
And we find out we're really dumb.

Senior prom . . . orchids galore,
Beautiful girls crowd the floor.
"Moments to Remember" is finally here,
As Ken Braque plays for the final prom of the year!!

We're Almost To The Summit

Here, we, the class of 1957, are coming to the end of our junior year. It's been a great and successful year and we are about to take the proud title of seniors.

We have accomplished much. To start we elected class officers. Ann Rice led us as president, and assisting her were vice-president, Dick Simmons; secretary, Janet Klein; and treasurer, Bonnie Henry. Their first job was to select committees to accomplish the three main tasks of our class.

The first committee to go to work was the ring committee, headed by Richie Hoyt. Richie, with his committee, limited the choice of rings; and then all members of the junior class voted and selected a pearl stone ring with a gold band.

To help our treasury department, we showed the fashions of the spring of '56." Twenty-five boys and girls, all members of the class, modeled the lovely clothes. A lot of work went into this project and Dan Wagner, finance chairman, and his committee did a fine job.

"Curtain Going Up," a three act play was given March 23, by the juniors. Headed by a cast of seventeen, the play was a great success and thanks go to Ogden Wintermute and his committee for a good selection.

The last event in our junior year was our being host to the seniors at the annual Junior-Senior Prom. Bill Tanner and his committee worked on this. The theme this year was "Stairways to the Stars."

We would also like to thank our advisers, Mrs. Montgomery, Mr. Yarman, and Mr. Robeson.

We take our hats off to all seniors and we hope we can follow in their footsteps.

Sheila Schwartz, Historian of
The Junior Class of 1956.

Senior Class History

The class of 1956 is history now, but its members will never forget the wonderful times they had. Having lived through the year of the Budda-budda boys, the Physics Clubs, the T. G. I. F. and E. I. M. clubs, and others too numerous to mention, we feel sure that Mount Vernon High can take almost anything.

Helping to steer our course through our junior year were our class officers. Roger Rardin was president; Melony Coffing, vice-president; Tom Brown, secretary; and Donna Boucher, treasurer.

Our dramatic prowess was shown when we presented the annual Junior Class Play, "Once in Every Family." Many new stars were born when we acted in this three-act comedy.

On May 27, we were proud to play host to the senior class at the Junior-Senior Prom. "Soiree a Paris," was enjoyed by all who attended.

The final year came then, and we were faced by the awesome title of Senior. We had looked forward to this for years, and now that it was upon us, it hardly seemed possible.

Again, officers had to be picked. After petitions were circulated and signed, and votes were cast and counted, we waited for the results. John Levenson was victorious in the race for president, Julie Theibert was announced vice-president, and Felicie Paques and Janet Johnson were elected to the positions of secretary and treasurer respectively.

The upper hall was a beehive of activity when senior pictures began to appear on the scene. Races were held to see who could collect the most. Again in the spring, we came through the same thing when senior name cards were the rage.

Deviating from tradition, the seniors decided instead of the regular three-act play, to present four one-act plays. Offering parts for 32 people, the plays included were "The Hitchhiker," "The Dancers," "Make Room for Rodney," and "Enchanted Night."

Our school career was not all a bed of roses. In January, several of us participated in the Senior Scholarship tests, with many of us high in the county. The efforts of our four years scholastically were culminated at the annual Honors Assembly, held May 24. Twenty members of our class received the highest honor Mount Vernon School can bestow: National Honor Society. Journalistic ability and athletic skill were rewarded by membership in Quill and Scroll and National Athletic Honor Society.

The next day, we made our first and final appearance as a class before the student body at the Senior Assembly. The will and prophecy brought chuckles as the follies and vices of the class were displayed. Oscars were awarded to the lucky winners of the popularity poll.

That night, we were honored guests at the Junior-Senior Prom. The next Friday night, we danced to the music of Ken Brague at the Mount Vernon Country Club. The theme, "Moments to Remember," was certainly very appropriate.

Baccalaureate came all too soon on June 3, and Commencement followed on June 5. The commencement address was given by Dr. Harold R. Albert, Pastor of the First Lutheran Church, Pittsburgh, Pennsylvania.

Because of our industriousness during our junior and senior years, we were able to present two class gifts. John Levenson, class president, presented equipment for the refreshment stand at the football field and a check for \$50 to Superintendent Charles Pickens at commencement. The money is to be used for the purchase of books for the school library.

The year had gone swiftly; and as we marched down the aisle for the last time, friends and relatives became misty-eyed. They remembered us as the gangly freshmen, who in 1952, set out to conquer the world, starting with Mount Vernon High.

To paraphrase Abe Lincoln, "The world will little note nor long remember what we say here, but we can never forget what we did here."

A young in heart...

OLD IN TRADITIONS....

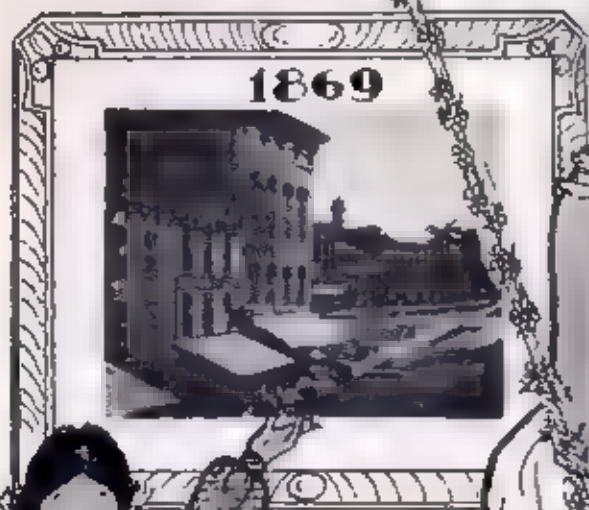

We've led the fashion world a long way from that day in 1869 when well-bustled ladies stormed our opening doors to see the latest in embroideries and shirtwaists.

Right from that day, fashion was our aim. Over the years, working in the markets of the nation, we have launched important fashions in every field until today.

Fashion's look to the people of Knox County has become the Ringwalt Look. Not limited to apparel, the Ringwalt Look has become the look of fashion and quality in fine home furnishings, in exciting gifts, in children's wear, in fine linens and fabrics . . . in everything that signifies the finest in taste.

In this year and every year you'll find the Ringwalt Look at its best throughout our store. Six busy floors are radiant with an aura of freshness and welcome . . . reflecting our dedication to the imagination and ideals behind the Ringwalt Look.

When you visit us today, you will be greeted with the same friendly service that has come to be our mark of identification through the years . . . service that will continue through the many generations yet to come.

See What You Get!

BUY YOUR MILK IN GLASS BOTTLES!

A glass bottle is the perfect milk container. Only glass lets you see what you get — and how much you get. You can be sure that you're getting a full measure of nature's most nutritious food when you buy milk in glass bottles.

GLASS PROTECTS THE FLAVOR

No foreign "container tastes" get into the milk when you buy in glass.

GLASS IS PURE

Glass is a chemically inert material and keeps milk safe from contamination.

**PAY FOR THE MILK
NOT FOR HIGH-COST
SUBSTITUTE CONTAINERS**

GLASS SAVES BUTTERFAT

Glass is non-porous and does not pirate butterfat out of the milk. Buy in glass.

America's top top secret

The United States Government has a lot of closely-guarded secrets—weapons, strategies, ways to fight communism. But of all of them, there's one that's more jealously guarded than all the rest. And *you're* the only one who knows what that secret is!

One of your rights as an American is the right to a secret ballot. And you alone know how you mark your ballot. No one sees it, no one can influence you. It's your secret.

In the Red-dominated countries, your vote—if you get one—is about as secret as a brass band playing in a greenhouse. You usually have only one candidate to vote for. A group of sharp-eyed officials checks your ballot to see that you voted the "right" way.

Some people, even in this country, think that that's the way elections should be run. Most Americans don't agree and it's up to every one of us to see that our ballots remain secret. If we let the secret ballot get away from us, we can say goodbye to all our American rights—freedom of speech, freedom of religion, freedom of press and all the others.

How can we preserve these freedoms? By speaking out strongly when we see them endangered. By using our secret ballot every election day to keep America free. Remember, they're *your* rights, so treat them *right*.

"The right to work shall not be abridged nor made impotent"

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

Freedom of worship

Right to secret ballot

**Right to know how your union spends your dues*

Freedom of speech

Freedom of the press

Right to criticize officials

**Right to know salaries of your union officers*

Freedom from search without warrant

Right to petition government for redress of grievances

**Right to know if your union officers are Communists*

**Right to know how your union is run*

Right to speedy and public trial by jury

Right to help of a lawyer

**Right to hear your employer's side of disagreements*

Right not to appear as a witness against yourself

**Right to refuse to permit the "check-off" of union dues*

**Right to go direct to your boss with a grievance*

Right to be presumed innocent until proved guilty

Freedom to own property

**Right to work despite union jurisdictional disputes*

Freedom to work in any locality

**Right to proper supervision of your union welfare funds*

Freedom to start and manage a business

Freedom to make a profit

**Right not to be fired by union leaders*

**Right to vote on company's best offer*

*These are rights you enjoy under the Taft-Hartley law.

**This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

THERE'S no escaping this fact . . . Expenses go down and profits go up when the engines or compressors on a big job perform with high efficiency and hold up year in, year out with minimum attention and maintenance. And that's the kind of performance Cooper-Bessemer has for sale . . . the *only* kind.

The photos here give you a rough idea of the many different applications for which Cooper-Bessemer heavy-duty engines and compressors are engineered.
